

Car Show Paperwork

Things to look at and for when awarding points!!!!

Category/ies covered	Area	What to check for
Paint/Display 10	Paint Job point value 1 to 10	Even paint throughout the vehicle to include engine compartment, door jambs, truck and anywhere there is paint. Custom paint should match throughout vehicle award points if consistent inside and out. Check for flaws in paint (runs, sags (multiple runs together), dust/dirt in paint, swirl marks, orange peel, dry spray, dull areas, body work shows through paint (generally a dull area), solvent popping.
Exterior/Display 10	Body point value 1 to 10	Body work (filler) is smooth and not obvious on body. Body kits if installed are attached correctly and permanently. Lights are mounted safely to vehicle and match car scheme. Factory or custom grills should be mounted correctly. Fenders, hood, trunk lids, doors are mounted correctly. Cleanliness overall.
Exterior/Display 10	Suspension & Exhaust point value 1 to 10	Undercarriage cleanliness (dirt, oil or grime). Components mounted correctly. Chrome parts should be polished and maintained. Bushings should be clean and in good condition (dry rott, split, not missing). Exhaust is on and match vehicle theme.
Exterior/Display 10	Wheels & Tires point value 1 to 10	Wheels (rims) and tires should be clean (dirt, grease or grime?). Lug nuts and rims should match vehicle style (and color scheme). Lug nuts and rims are secured to vehicle (unless removed for display)
Interior/Display 10	Interior point value 1 to 10	All interior knobs and controls need to be mounted securely. Carpet should be clean (vacuumed and free of stains more points) as well as the other upholstery. Seat covers are not recommended, if used they need to fit properly and look correct for the vehicle theme. Any modifications on the interior should look right for the vehicle.
Display 25	Storage areas/ Engine Compartment point value 1 to 25	Must be opened to be judged or awarded no points! Panels or materials must be fitted properly, not missing, hanging or loose. Should be clean (vacuumed, free of dust or dirt, washed out, etc.) Matches vehicle theme or in original condition from factory. Chrome is polished and maintained. Engine is clean and free of oil, greese or grime. No leaks.
Display 25	Extras point value 1 to 25	Story board on the history of the vehicle. Showcase work done on vehicle. Magazines that highlight the vehicle. Display stands out from others due to something special. Display is well setup and not confusing. Glass (clean, cracks, no finger prints)
